1. **STUDENT CATEGORIES** (For the purpose of this sale, the student body will be divided into three categories)

   **Category I — April 22 – May 18** (first come, first-served while supplies last)
   Any currently (Spring 2014) enrolled full-time student at Norman, HSC, or Tulsa Campus
   (Full-time: Undergraduates = 12 hours; Graduates = 9 hours). Failure to stay enrolled throughout the Fall 2014 semester could result in the forfeiture of remaining tickets. Category I football student season ticket holders WILL be eligible for OU/Texas tickets when they go on sale September 2nd.

   Students that attend OU (Norman, Tulsa or HSC) in Spring 2014 but are transferring to another OU campus (i.e. Tulsa, HSC, Norman) in Fall 2014 are considered RETURNING STUDENTS (Category I).

   **Category II — August 11 through 3 PM on August 15**
   (a lottery will be held the afternoon of August 15 if demand exceeds supply for both football and men’s basketball)

   New Students (freshmen or transfer) must be enrolled on a full-time basis for the Fall 2014 semester. Email notification will be sent the evening of Friday, August 15, on the status of each student’s season ticket purchase. OU/Texas tickets are not guaranteed to be available to Category II students and will only be available if supplies exist after the Category I sale.

   Students who are transferring from another university (NOT an OU campus) are considered NEW STUDENTS if they have never previously attended OU.

   **Category III — May 19 – August 10** (first-come, first-served while supplies last)
   Any currently (Spring 2014) enrolled full-time students purchasing remaining tickets after the spring sale has ended. These football student season ticket holders are only eligible for OU/Texas tickets if any tickets remain after the Category I & II sales in August. OU/Texas tickets have traditionally sold out on the first day to Category I students.

**Spouse/Dependant Child Tickets**
Students with a spouse or dependant child may add a maximum of one (1) additional season ticket to their account.

- If you had a spouse/dependant child ticket for the 2013 season, you will automatically be able to purchase two tickets online for the 2014 season.

- If you need to add a spouse/dependant child ticket to your account, you must go to the Athletics Ticket Office and present a marriage license [spouse] or birth certificate [child]. Please make sure that you order your ticket first.

- For the purpose of football away game and OU/Texas sales, students with spouse/dependant child tickets will be able to order as many tickets as they have season tickets on their account.
2. FOOTBALL AND BASKETBALL TICKET PICK-UP – PRINT-AT-HOME FEATURE

- Students who purchase season tickets and are continuously enrolled full-time in the 2014 - 2015 academic year will be eligible to either print each ticket(s) at home during the designated distribution period or claim the ticket(s) at the Athletics Ticket Office during the designated distribution time.

- Football tickets may be printed off at home starting Sunday at 5 PM until Wednesday at 5 PM the week of each home game or they may be picked up at the Athletics Ticket Office between 8 AM and 5 PM on Monday - Wednesday the week of each home game. Notification will be sent via email if there are any changes in the distribution schedule.

- The pick up schedule for men's basketball student tickets will be sent to you once the schedule is released. Visit the “Student Ticket” page on SoonerSports.com for updates and more information.

- A student must pick up a ticket with his or her OU ID card for each home game or log on for a print at home ticket and print their ticket off during each distribution period. NO EXCEPTIONS! Students may allow other students to pick up their student football or basketball ticket by giving them their ID to present at the OU Athletics Ticket Office during the distribution period for that event. Tickets are not guaranteed to be available after these times.

- All home football and/or basketball student tickets are good for seating in the general admission student sections in the Gaylord Family - Oklahoma Memorial Stadium and Lloyd Noble Center. A general admission ticket (like all tickets) is a license for that individual for a seat and not a license to that individual to dictate, save and allocate seat locations for others.

- Instructions on how to sign in to a student account and print a student ticket are available on the Student Tickets page at www.SoonerSports.com.

- Bursar accounts are charged the full season ticket price regardless of how many tickets are picked up or left unclaimed. No refunds will be given for unclaimed tickets. Failure to keep payment of ticket charges current may result in forfeiture of remaining tickets and the ability to purchase for future events.

- If unclaimed tickets remain after the pick-up dates, they will go on sale to OU students on Thursday following the pick-up dates at the OU Athletics Ticket Office. Students without a season ticket may purchase a ticket to that weekend's game (football) or set of games (basketball) at the student rate if availability exists. Part-time students are eligible to purchase these individual game tickets as availability permits. Cash and credit card are the only acceptable method of payment for these tickets - NO bursar payments are allowed.

- On Thursday, any student may be able to purchase a guest ticket at the public price if availability exists.

- Student or student guest tickets are not guaranteed to be available for sale on Thursday. Students can call the OU Athletics Ticket Office after 6:00 p.m. on Wednesday night to check sale status.

- All Thursday student sales will be held at the Athletics Ticket Office and will not be conducted online.

- Students must have both a game ticket AND their student ID to enter the stadium or arena.
