STAFF SENATE SPOTLIGHT

Tina M. Ellis

Administrative Manager, Parking and Transportation Department

About me: I've worked on campus over 10 years, spending most of my time in HR, first at OU Physicians and then at Stephenson Cancer Center. I've been in Parking & Transportation for just over year.

The Family: My husband Danny, and I have been married for 13 years. We were friends in high school in Missouri and, unbeknownst to us, we lived just 1.5 hours apart in North Carolina for 12 years. Once we figured it out, we reunited, went on a date and the rest is history! We have 3 children: Christian, Tori & Chloe and their spouses, Alexa, Nolan and Jonathan. We also have 2 grandchildren, Jaxon (3) and Ellie (18 months).

What are some of your hobbies? When I'm not traveling (which usually involves snorkeling) or playing with grand babies, you'll find me with a good book in hand and my pups by my side. My husband and I also enjoy serving others. We are involved in our church and the recovery community, specifically focusing on supporting the loved ones of those in addiction.

Recent vacations: Fort Lauderdale, FL celebrating my grandson's birthday and to the Dominican Republic to dive & snorkel.

Favorite sport team: OU Women's Gymnastics (I wanted to be an Olympic Gymnast growing up).

Are you involved with any Staff Senate committees?

I currently serve on the Staff Events and Employee Recognition Ceremony Committees and recently signed up to serve on the Community Outreach and Employee of the Month Committees. I am also serving as a Senator this year.

Why is the Staff Senate Important and what do you see for the future?

It is important to foster communication throughout the different departments on campus, providing needed resources as well as opportunities for volunteering on campus and in the community. In the future, I would like to see more people get involved. There is value getting to share ideas and perspectives with others in an effort to create a more enjoyable place to work. My favorite part is getting to work with folks from around campus that I might not otherwise get to meet!
