The University of Oklahoma
Health Sciences Center
Faculty House

During the challenging times in which our Nation now finds itself, the Faculty House would like to do what we can to assist you our neighbors and co-workers in meeting your dining needs.

In an effort to provide food for those in our community, we are not offering a daily food special for delivery and pick up. This daily special is in addition to our regular lunch menu which is also available for pick up or delivery.

Faculty House will provide pickup and delivery service Monday through Friday from 10am until 3pm. Delivery fee is $3 for local delivery; no delivery charge on orders over $50. All orders come with Dinner Rolls upon request.

Lunch order will need to be placed at least an hour before the food is needed. If the order is a bulk order to be delivered or picked up family style, we will need a 2 hour notice. Cutoff time for receiving all orders is 2pm.
