families need your help!**

Housed at the OUHSC campus, The Family Support 360 Center assist families of children from minority communities including Spanish-speaking & Black/African American communities who have a special need or disability by providing daily needs, emotional support, and information. Each year, The Family Support 360 Center provides a Holiday Assistance Program for families in need. Our program provides winter clothes, toys, food baskets and emergency items. Please help us help every family we can!
