Leadership HSC

Welcome and congratulations to the Leadership HSC Class of 2019! As organized by the OUHSC Office of Student Affairs, the HSC Leadership program provides interdisciplinary educational experiences to dozens of students from programs across campus. Graduates of the 5-week program are introduced to tools for effective campus and professional leadership.

A welcome reception was held on Wednesday, January 23, 2019. Senior Vice President and Provost Dr. Jason Sanders welcomed the new class with a challenge to find and consider opportunities to improve their interprofessional and academic experiences on campus. The Office of Interdisciplinary Programs is excited to join in this initiative by including interprofessional competencies in the “Expanding Your Circle of Influence” session. We greatly look forward to working with the new class of HSC Leadership.
