

## Weekly Report 10/13/2017

As a method to keep everyone up-to-date regarding our multi-faceted work, please see the below synopsis. Comments/suggestions always welcomed.

### Reminders

- Opportunities for IEPA committee service available. Sign-up at: [https://ouhsc.qualtrics.com/jfe/form/SV\\_5aHH4K0zSnUeGA5](https://ouhsc.qualtrics.com/jfe/form/SV_5aHH4K0zSnUeGA5).

### Upcoming Professional Conferences

- Please send information regarding interprofessional-related conferences or webinars to: [Margaret-Robinson@ouhsc.edu](mailto:Margaret-Robinson@ouhsc.edu)
- Peggy Turner reported on the [Collaborating Across Borders Conference](#) held Oct 1-4 in Alberta. The speakers were outstanding with numerous presentations, workshops, and posters. Topics included interprofessional team evaluation, sharing curriculum, and train-the-trainer. The next event will be in 2019 in the United States. Participation is highly encouraged.
- The [All Together Better Health Conference](#) is scheduled for September 3-6, 2018 in Auckland. Proposals are accepted through 11/19/17.

### IEPA Executive Council

- Last meeting of the Core Faculty held on 10/11/17. Now replaced with the IEPA Executive Council. Next meeting is 10/25/17.
- Committee chairs provided status updates regarding current projects. APD1 debrief reviewed student and faculty evaluations. See committee updates below.

## Committee Updates

### Curriculum Committee

- Last met 10/10/17. Next meeting 10/24/17.
- Current work includes:
  - ✓ Creating framework for APD 2 to be held on 3/2/18. Session will focus on Values/Ethics and Teams/Teamwork competencies. Will include a "Second Date" to review and recap within teams. Activities will focus on the 'utopian' team, strategies, and assessment of a safety-related case study. APD1 morning teams will attend APD2 in the afternoon, and vice versa. Additional communication points will be sent to students to update/save-the-date for APD2.
  - ✓ EPIC Clinic continues to meet every Thursday through March.
  - ✓ A joint strategy meeting will be held with the Faculty Development Committee in November.

### Faculty Development Committee

- Last met 10/4/17. Next meeting 10/18/17.
- Current work includes:
  - ✓ New member recruitment. Faculty who sign up for committee service will be sent meeting information.
  - ✓ Training. A tentative date of 2/7/18 has been set for the Spring 2018 IEPA Faculty Training & Development session.
  - ✓ Awards. The subcommittee is being formed. Peggy Turner has volunteered to chair. 2018 Seed Grants will be reviewed in March/April 2018. Additional recognition awards are being considered.

### Research Committee

- Last met 10/9/17. Next meeting 10/23/17.
- Current work includes:
  - ✓ Review of pre-APD1 research results continues with data clean-up. Item remaining is the review of the variance in EPIC participation question. M. Robinson will follow-up with programs. Questions may be revised for clarity in the post-APD2 surveys.
  - ✓ Analysis plan is being developed. Analysis will be completed by a statistician from College of Pharmacy.
