

Report 3/16/2018

Comments/suggestions always welcomed. Send to Margaret-Robinson@ouhsc.edu

Highlights

Update - Seed Grant Applications

- We received 11 substantial applications for the 2018-2019 Wisdom Family Foundation Interprofessional Education Research Seed Grant.
- Applications will be forwarded to the scoring subcommittee for review
- Our target is to have all notifications returned to applicants by May 15, 2018

Report on 3/13/18 IPEC Webinar

- “Innovative IPE Instructional Methods: Strategies & Lessons Learned” held on Tuesday, March 13, 2018
- Archive copy will be posted at: <https://www.ipecollaborative.org/webinars.html>.
- Comments shared by Virginia Commonwealth University and University of Michigan regarding their program structures, innovations, and lessons learned.
 - [Virginia Commonwealth](#) has a well-developed conceptual framework including foundational, profession specific, and practitioner-level IPE courses.
 - [Michigan](#) utilizes a menu curriculum with both curricular and co-curricular IPE offerings including asynchronous online coursework, a student-run clinic, simulations, and one-time events.

All-Faculty Meeting on 3/28/18

- All interested faculty and staff are invited to attend.
- 3/28/18 at 5:30 p.m. in Library Auditorium
- Will include project analysis reports from IEPA committees, a review of next year’s framework, and an opportunity for faculty input.

Committee Updates

IEPA Executive Council

- Last met 2/28/18. Next meeting 3/28/18.

Curriculum Committee

- Last met 3/5/18. Next meeting 4/2/18. Note: No meeting during Spring Break.

Faculty Development Committee

- Last met 3/7/18. Next meeting 3/21/18. Confirmed, we will meet over spring break.

Research Committee

- Last met 3/12/18. Next meeting 3/26/18.
- Both post-program research tools have been distributed to all participants. Initial results showed 65% overall return rate for the CHIRP tool, and 58% return on the IPAS tool. Results are comparable to return rates for the Pre-APD survey distribution.
- Next steps will include finalizing data clean-up and submitting the raw data to our biostatistician for further analysis.
