Committee Updates

IEPA Executive Council

- Last met 4/25/18. Next meeting 5/30/18.
- Curriculum Committee reported on status of the curriculum revision. Teams continue to review their project assignments. APD dates have been finalized (listed on Page 1) and facility arrangements are in progress.
- Faculty Development Committee reported on the election results (listed on Page 1). Seed Grants have been scored and will be sent for administrative approval. Target date for grant notifications: May 15, 2018.
- Research Committee reported on the statistical analysis of the pre/post results of the Chirp and IPAS tools. Although statistical significance was not found in all measured areas, the results support further dissemination of the findings. Journals are currently under review for publication. Project team will also begin process for the 2018-2019 IRB application and study.
- Executive Council discussed findings from the All Faculty Meeting held on 3/28/18. Discussion regarding the executive retreat was also held. A date will be determined and the agenda will be reviewed and finalized.

Curriculum Committee

- Last met 4/16/18. Next meeting 4/30/18.
- Project teams provided updates regarding status of their assignments.
- The IPE inventory form has been finalized and is ready to be sent to program contacts. A soft-deadline will be set for a two week return.
- The review of other IPE programs has resulted in development of interview questions and meetings set for discussion.
- With regard to APD programming, distant site students should be identified and assigned to the two middle sessions to accommodate commuting times.
- The conference center at Nicholson Tower was toured. The two rooms will run simultaneous APD programming synced to the same schedule.

Faculty Development Committee

- Last met 4/18/18. Next meeting 5/2/18.
- Election process and membership renewal status discussed. Voting will conclude on 4/20/18 and committee renewal sent afterward.
- Seed Grants scoring is being finalized. Meeting will be scheduled, if needed, to consider results.
- Planning for next year includes: discussion of placing dates on the calendar for upcoming events and increasing opportunities for presentation and research. Programming may focus on awareness and education, and how to reach faculty in each department.
- A communication and outreach plan will be developed for review at future meetings.

Research Committee
