Highlights

Meet the IEPA Research Committee Co-Chairs

Vincent Dennis, Pharm.D., BCACP, CDE
Co-Chair, IEPA Research Committee 2017-2019

Dr. Dennis has been with the IPE team since the beginning, including service at the EPIC interprofessional clinic and at All Professions Day. He was elected as Chair of the Research Committee at the creation of the IEPA in 2017. His

leadership has been instrumental in the creation the 2017-2018 IRB approved study, data analysis of the study with a college biostatistician, initiation of steps toward publication, and drafting the 2018-2019 IRB proposal.

Dr. Dennis serves as the Associate Dean for Professional Programs and Associate Professor at the OUHSC College of Pharmacy. His clinical specialty is ambulatory care pharmacotherapy with focus on cardiovascular therapeutics and diabetes education/management. His research interests include outcomes of pharmacist contributions to patient care, curricular innovations to improve skill development in laboratory settings, and interprofessional learning.

Dale W. Bratzler, DO, MPH, MACOI, FIDSA
Co-Chair, IEPA Research Committee 2018-2019

Dr. Dale Bratzler served as the initial Chair of the Interprofessional Educators & Practitioners Association, and will serve as Past-Chair in 2018-2019. His dedication and leadership in the development of interprofessional programming has been invaluable asset to the campus. As

part of the original Core Faculty group, Dr. Bratzler was pivotal in the creation and implementation of the EPIC interprofessional clinical experience where he continues to serve as lead-faculty and medical attending. He has also assisted with the coordination and facilitation of All Professions Day. Dr. Bratzler has agreed to accept the formal role of IEPA Research Committee Co-Chair for the 2018-2019 term.

Dr. Bratzler serves OUHSC in many capacities including Professor and Associate Dean for the OU College of Public Health, Professor of Medicine for the OU College of Medicine, Chief Quality Officer for OU Physicians, and Medical Director for the Clinical Skills Education and Testing Center (CSETC). His research interests include quality of inpatient and outpatient care, evidence-based management of hospitalized patients, prevention of surgical complications, use of data to profile outcomes of care, use of information technology to improve health care quality, and interprofessional learning.

Committee Updates

IEPA Executive Council

- Last met 5/30/18. Next meeting 6/27/18.
